- Pro//Top is certified TUV / ABE
- 3 year warranty

FOR A FULL LISTING OF SUPER CAB ACCESSORIES VISIT WWW.RANGERACCESSORIES.CO.UK

ROLL-N-LOCK ROLLER SHUTTER

FD015#

Secure your loads with the Roll-N-Lock truck bed cover, the Roll-N-Lock roller shutter locks to the truck bed and tailgate for added security.

Roll-N-Lock retracts all the way to the truck cab giving you total access to the truck bed and has three pre-set opening positions.

Roll-N-Lock's roller top lid can set either: Fully closed, open one third, open two thirds, or fully open.

Improves fuel consumption by reducing the amount of drag caused from an open truck bed.

Security is assured using twin locking points that prevent the truck's tailgate from being opened when the roll top is locked, providing class leading security.

Roll-N-Lock are American made, are fully guaranteed and come with a step by step pictorial instruction guide specific to your pick up.

- Three pre-set rest positions
- Keeps goods out of sight and secure
- Seamless exterior finish
- 3 year warranty
- Easy fit with pictorial instruction guide
- Can be bought with optional Quick Foot Kit to make it compatible with the OE roll bar (use FD136#)
- Note: Not available for Wildtrak

PRO//TOP LIFT-UP ALU-COVER - BLACK

FD345#

The Pro//Top Alu-Cover is a great addition to your Ford Ranger Wildtrak, the black chequer plate finish compliments the Wildtrak grey sports bar and allows you to retain the Wildtrak factory look whilst also ensuring that your load bed remains secure and out of sight of prying eyes.

The load bed cover lifts on two powerful gas rams and uses very high quality pivot hinges, underpinnings and lock system so that you know you are getting a high quality load bed cover.

- High quality hard tonneau cover specific to Wildtrak
- Black chequer plate finish complimentary with Wildtrak dark grey sports bar
- Provides a high security lockable solution without the removal of the Wildtrak Sports Bar
- Cargo out of sight of prying eyes whilst still maintaining the pickup truck "look"
- Very high quality pivot hinges, underpinnings and lock system
- Cover lifts on two powerful gas rams
- Effective seal and drainage channels keep load bed cargo away from the elements
- Optional transverse load carry bars for mounting cargo on the cover (use FD346#)
- Cover can be easily removed from the vehicle when an open bed is required.

MOUNTAIN TOP WITH SPORTS RAIL

FD011#

Keep your loads secure with the new Ford Ranger Mountain Top alloy Tonneau cover.

Made using a heavy duty aluminium 5-bar tread plate, the Ford Ranger Mountain Top tonneau cover is capable of carrying loads of up to 100 kilos and has built in twin sports bars that feature a polished alloy finish that loads can be secured to.

The stylish chequer plate alloy top also makes an excellent work surface, it is also totally secure, weather-resistant and will aid aerodynamics by eliminating tailgate drag.

The Mountain Top pick-up lid can be removed quickly if required and comes with a 3 year warranty.

Please Note: This is not suitable for the Ford Ranger Wildtrak.

MOUNTAIN TOP WITH CONTINUOUS RAIL

FD010#

Keep your loads secure with the new Ford Ranger Mountain Top alloy Tonneau cover.

Made using a heavy duty aluminium 5-bar tread plate, the Ford Ranger Mountain Top tonneau cover is capable of carrying loads of up to 100 kilos and has a continuous wrap-a-round load rail that loads can be secured to.

The stylish chequer alloy plate top can also make an excellent work surface, it is also totally secure, weather-resistant and will aid aerodynamics by eliminating tailgate drag.

The Mountain Top tonneau cover can be quickly removed from the vehicle and reduces drag caused by an open truck bed.

European made and comes with a 3 year warranty.

Please Note: This is not suitable for the Ford Ranger Wildtrak.

AEROKLAS SPEED SPORTS TONNEAU

FD016#

The speed lid has a black textured finish and is a light weight solution to covering and securing the load bed. Weighing in at only 28Kg this is one of the lightest covers on the market.

Not only is the Speed lid light weight, but by covering the load bed it reduces air resistance and improves MPG. Other benefits of the Aeroklas Speed Tonneau cover include:

- A weather resistant rubber seal
- A secure multi point locking mechanism
- Ease of opening using gas struts
- Eliminates tailgate drag
- 3 year warranty

Please Note: This is not suitable for the Ford Ranger Wildtrak.

AEROKLAS GALAXY TONNEAU COVER

FD125#P

Easy to operate, the lid is the perfect solution for those wanting to retain the pick-up look of the truck.

Not only is the Aeroklas lid light, but by covering the load bed you're reducing tailgate drag (air resistance) and therefore improving your MPG. Other benefits of the Tonneau cover include:

- A weather resistant neoprene rubber seal
- A secure multi point locking mechanism
- Ease of opening using two powerful gas struts
- High lustre factory paint finish
- 3 year warranty
- Sports bar not included (use FD001# Stainless Steel, FD257# Black Finish)

Please Note: This is not suitable for the Ford Ranger Wildtrak.

WILDTRAK ROLL-UP TONNEAU

FD049#

A great value soft roll up cover that is specifically designed to fit in conjunction with the Wildtrak sports bar. Features a durable, weather-resistant, leatherette finish.

HIDDEN PRESS STUD TONNEAU

FD018#

Hidden Snap tonneau cover allows all-round access to the truck bed. It fixes to the truck's bed using an aluminium frame, the cover then simply stretches over this frame.

OE ROLL BAR SOFT TONNEAU

FD199#

This roll up cover is unique in allowing the cover to work with the factory styling bar. It is designed to make it as simple, and quick as possible to gain access to the load bed.

TAILGATE LIFT KIT

FD347#

A combined tailgate easy LIFT and SOFT drop. It allows for one finger closing of the weighty tailgate and for hands free opening of the tailgate with a soft, controlled drop.

HARD TRI-FOLDING TONNEAU COVER

FD017#

The hard tri-folding super taught tonneau cover reduces drag caused by driving with an open truck bed, the super taught finish of the tonneau means water will not pool on the top. The composite ABS hard plastic underside gives strength and rigidity whilst the mohair style fabric provides a plush high end look that satisfies even the most discerning owner. 3 year warranty.

- Tri-folding design
- Secure load bed cover
- Secured allowing the truck to be driven in the open position
- Improves MPG
- Super taught appearance

Please Note: This is not suitable for the Ford Ranger Wildtrak.

SOFT TRI-FOLDING TONNEAU COVER

FD019#

Covering your load bed has never been easier thanks to the Tri-folding tonneau cover.

Once the cover is in place you can only access the clamps once the tailgate is open. The taught look of the cover gives the impression of a solid cover which looks secure.

If you only need access to part of the bed then no problem, just fold back the cover and clip into place. Once secured in the fully open tri-folded position you can drive as normal and even reach motorway speeds.

- Tri-folding design
- Secure load bed cover
- Secured allowing the truck to be driven in the open position
- Improves MPG
- Super taught appearance

Please Note: This is not suitable for the Ford Ranger Wildtrak.

UNDER RAIL LOAD BED LINER

FD014#

Moulded to the contours of your truck bed, the under rail liner is custom fitted and combines perfectly with our range of canopies and tonneau covers.

OVER RAIL LOAD BED LINER

FD013#

Over rail liners are made from a highly durable polyethylene and are designed to protect the edge of the load bed. Best used when there is no tonneau cover or canopy fitted.

BED RUG LOAD BED LINER

FD009#

The plush finish of the Bed Rug truck liner does not obviously show it to be a rugged hard wearing bed protection product. The Bed Rug liner is both durable and practical.

The Bed Rug liner is comprised of a very tough stain resilient closed cell foam that is water proof and durable.

Due to the easy cleaning capabilities of the Bed Rug it can be used to load all building materials such as bricks and sand whilst protecting the load bed.

- Features a cushioned underside
- Liner is both durable and practical
- Stain resilient closed cell foam
- Rugged hard wearing bed protection product
- Ideal for dog owners and leisure users

AEROKLAS LOAD BED DRAWER SYSTEM

FD215#

The market has been warming up to these for a while now, but to date, these have been exclusively in the domain of the specialist converters at considerable and sometimes prohibitive cost.

This is an easy fit, heavy duty drawer system tailored to fit the vehicle... It comes out of the Aeroklas stable, so quality is assured.

Key features:

- Heavy duty roller runners
- Full length drawers with 100kg load capacity
- Galvanised lined interior metal drawers and durable metal frame
- Twin lockable drawers
- Positive latching in closed position
- Covered side access panels, left & right
- Elevated flat, durable, storage floor above the drawer system

SWING CASE TOOL BOX

DOUBLE CAB - FD117#P

The Swing Case Truck Toolbox is a swing-out, removable, portable toolbox. Each Swing Case holds up to 30Kgs of tools and gear. Available for both passenger and driver side.

AEROKLAS TOOL BOX

DOUBLE CAB - FD002#

Keep your tools safe and secure. Fits the contours of the truck and is lockable to keep tools secure. Supplied with two keys.

LOAD BED CAPS

DOUBLE CAB - FD005#

SUPER CAB - FD045#

Protect your bed rails from bumps and scrapes with these excellent bed rail caps. Fit perfectly to the contours of your Ranger truck bed.

BED EXTENDER / SHOPPING TRAP

FD008#

The bed extender can also be flipped 180 degrees to contain shopping and goods at the tailgate end of the bed.

STAINLESS STEEL STYLING BAR

FD001#

Accessory compatible style bar. Made from a high quality 3" stainless steel tubing, polished to give a mirror like shine.

MATT BLACK STYLING BAR

FD257#

Accessory compatible style bar. Made from a high quality 3" steel tubing and powder coated for durability and a unique style. Features an integrated high level brake lamp.

BLACK COATED SPOILER BAR

FD132#

Spoiler bars are a stylish & simple way to add frontal protection to the Ford Ranger. The bars are made from a high quality 76mm stainless steel tubing coated in black.

SPOILER BAR STAINLESS STEEL

FD131#

Spoiler bars are a stylish & simple way to add frontal protection to the Ford Ranger. The bars are made from a high quality 76mm stainless steel tubing with a mirror like shine.

TAILORED 3D TRAY TYPE FLOOR MATS

FD135#

The floor trays come with a lipped edge which will help contain mud, sand & snow. These are ideal for a working vehicle and have a grippy underside so they stay in position.

TAILORED FLOOR MATS

DOUBLE CAB - FD004#

SUPER CAB - FD351#

These mats utilise a studded design, the mats will hold mud, water, sand & snow. These mats are supplied as a 5-piece kit and provide complete coverage of the floor.

OVAL SIDE BARS - BLACK

FD258#

These black, coated, side bars are made from durable stainless steel with grippy step pads. They provide easy access and also look fantastic in a huge 4" (100mm) tube diameter.

OVAL SIDE BARS - STAINLESS STEEL

FD003#

Stainless steel side bars with grippy step pads provide access to your Ranger. They look fantastic in a huge 4" (100mm) tube diameter.

HEAD LAMP LED UPGRADE KIT

FD241#

Upgrade your existing H11 head light bulbs on the Ranger. These high power LED's give better visibility and are in a cool white colour. Suitable for facelift models 2016-2019. Please be aware these LED bulb upgrades are not compatible with HIR2901 or HID bulbs.

LIGHT GARNISH SET

FD217#
